Course Description

BNT 121 Book of Luke

This is an in-depth study of the Life of Christ and based on the book of Luke. The goal of this study is to get to know Jesus intimately as though you had walked with Him during His days of earthly ministry. You will feel like you are in Jerusalem in the places where Jesus walked.

BNT 200A Pastoral Epistles (Timothy, Titus,)

I & II Timothy and Titus are commonly referred to as Pastoral Epistles. The necessity of church order, sound doctrine, and discipline will be discussed.

BOT 204 Song of Solomon

This class is the love song between Jesus and His Bride (you). This class invites you to experience the living reality of this truth, that you need a deeper relationship with our King Jesus Christ. This is the time to stop acting like you are dating a King and start living like you are a bride of the King of Kings. Deep calls to deep (psalm 42:7a). Let us not just walk-in ankle-deep water but let us go as deep as you can in the love of our King Jesus Christ.

BNT 115 Prison Epistles

The Epistles to the Ephesians, Philippians and Colossians will be studied during this class. Ephesians stresses the value of unity among believers regardless of their individual background. The key word in the Epistle to the Philippians is "joy." Even in our "prisons" God wants us to experience His joy. The headship of Christ and the privileges and responsibilities to the believer are affirmed through the Epistle to the Colossians.
