BNT 315a Book of Revelation

Probably no other book has been studied and interpreted with as wide of an understanding as the book of Revelation. Because of language use, symbolism and historical questionability, many readers have not known how to understand this book. On the other extreme, many others have used it to predict Christ's return or set charts laying out a definitive understanding of the end times. These were later refuted. We will seek to gain an understanding of Revelation within its historical context and see where and how, if at all, it applies to the end times

PCM 444 The Laws of Harvest- God's Way to Wealth

This Course will provide an in-depth study into the biblical technology and principles of sowing and reaping. Students will learn and gain insight to God's perspective of money, financial stewardship and reciprocity.

TDH 445 Understanding your Jewish (Christian) Faith

The destiny of Israel and the Christian Church are intertwined destinies. Learning this truth is essential for survival. Understanding your Jewish Faith is an introduction to biblical theology from a Jewish contextual point of view. This course represents the fundamentals regarding biblical theology, Israel and Church, the Jewish people, and much more. Important topics are discussed such as the relationship of law and grace, the role of the Spirit, and the importance of understanding the whole Bible from its original context of meaning.

PCM 313 The 7 Places Jesus Shed His Blood

The moment we receive Christ into our heart and lives, we're forgiven of our sins. Jesus becomes our righteousness and the blood of Jesus washes away every sin we've committed. We're no longer enemies of God but enter into a right relationship with him through Christ's shed blood. This course uses Pastor Larry Huch's book entitled "The 7 Places Jesus Shed His Blood", for your healing, salvation, prosperity, deliverance and more" to study where Christ shed his blood and the benefits believers experience as a result.

PCM 445 The Micaiah Company- a Prophetic Reformation

God is raising up a pure and powerful prophetic movement! God is baptizing and purifying his people with fresh fire and usher in the pure biblical expression of his prophetic voice and vision for the days ahead! We have a mandate to hear from heaven and prophesy with holy conviction, boldness, power and authority, to make his glory known in the church, to the nations and to the generations, as we declare "Your Kingdom come and Your will be done!

PCM 417 Dressed to Kill
