Course Descriptions:

PCM 161a The Ministry of Deliverance

This class is a must for all Christians. Three fourths of Jesus' earthly ministry was in the casting out of demonic spirits. This course will not only thoroughly cover the biblical and doctrinal topics of deliverance, but also will train you and give you hands on experience so you too will knowledgeably and confidently be able to "lay hands on the sick and cast out demons."

PCM 320 SOZO: Saved, Healed, Delivered

In this class, you will receive practical tools to deepen your relationship with the Triune God—Father God, Jesus, and Holy Spirit. Victory strategies to help you disarm lies, break harmful patterns, shift spiritual atmospheres, and access the often-unreached realms of abundant life. Keys to experience inner healing by breaking addictions, overcoming obstacles, and walking in sustained freedom.

TDH 453 Beautiful Outlaw-Meeting the Real Jesus

This course invites students on a transformative journey to discover the true personality of Jesus Christ. Using John Eldredge's book *Beautiful Outlaw*, we will strip away the religious fog and engage with the real, untamed, playful, fierce, and scandalously loving Jesus of the Gospels. The goal is not just head knowledge, but heart-level encounter and relational transformation.

PCM 436 Weapons of Mass Destruction

Our Father has given us His Word that is eternal and forever settled in heaven. We as believers must settle His Word in our hearts. He has given to us His armor and weapons that enable us to stand and walk in victory. In this class, we will study some of our weapons and how to use them so that we will declare, "Thanks be to GOD, Who gives us the victory, making us conquerors through our LORD Jesus Christ!"

BOT 302 Book of Nehemiah: Becoming a Godly Leader

Becoming a Godly Leader is a Twelve-Week in depth study of the book of Nehemiah. It considers topics like characteristics of a godly leader, a godly leader's priorities, cultivating a life of celebration, characteristics of revival, how godly leaders respond to discouragement, conflict, prosperity and promotion, the tactics of the enemy, and much, much more.
